Re: *United States v. Elijah Bermudez, a/k/a "Quiet," 22-cr-335 (NSR)*

Dear Judge Román:

The Government respectfully requests, with the consent of the defendant, to extend the deadline to file its sentencing submission in this matter by two days from April 30, 2025 to May 2. As the Court is aware, the defendant just filed his sentencing submission this past Sunday (April 27). And based on discussions with counsel to the defendant, the Government expects that the defendant will file a supplementary submission today which the parties expect will eliminate the need for the Court to resolve disputed issues of fact. Given the timing of defendant's submission, and the fact that he has yet to file a submission that will materially affect the Government's submission, the Government respectfully requests a two-day extension to May 2 to file its own submission.

SO ORDERED:

HON. NELSON S. ROMÁN
UNITED STATES DISTRICT JUDGE

Respectfully submitted,

JAY CLAYTON
United States Attorney for the
Southern District of New York
